Service Name	STNA TUTORING		
VR Service Code	MISCELLANEOUS TRAINING - TUTORING		
Service Description	One-on-one intensive tutoring for individuals who recently completed STNA training to facilitate successful completion of licensure. The tutor is a retired nurse who will complete the paperwork and assist the individual to register, pay and schedule his or her upcoming state test, reinforce nursing assistant skills, provide clear explanations of nursing treatments, and organize individual study sessions in preparation for successful state testing. Sample STNA tests and quizzes will be given and Nursing Assistant Skills and Medical Terminology software is provided for self-study at our facility with nurse tutor available to answer any questions. Comprehensive monthly report will be submitted to VR staff including topics covered and practice testing scores.		
Individual Rate	\$6.50 UOS	Group Rate	

Service Name	DRIVER'S PERMIT PREPARATION		
VR Service Code	MISCELLANEOUS TRAINING – DRIVER’S TRAINING (NON-MODIFIED)		
Service Description	One-on-one tutoring for individuals who need to acquire a driver’s license for employment. The tutor will prepare the Consumer for the written driver’s test using the Digest of Ohio Motor Vehicle Laws. Sample tests will be given and answers reviewed. A monthly report will be submitted to VR staff including topics covered and practice testing scores.		
Individual Rate	\$6.50 UOS	Group Rate	

Service Name	OTHER TUTORING		
VR Service Code	MISCELLANEOUS TRAINING – TUTORING OR MISCELLANEOUS TRAINING – GED TRAINING		
Service Description	Other tutoring services may be utilized as needed or requested by the VR staff. Previous tutoring experience also includes preparation for CDL written test, GED, massage therapy, ServSafe, and medical unit clerk.		
Individual Rate	\$6.50 UOS	Group Rate

Service Name	Internship		
VR Service Code	MISCELLANEOUS TRAINING - INTERNSHIP		
Service Description	<p>Internships are a very important element of the process. When companies hire they give more attention to individuals who complete internships because they know that they have gained certain real world experience and knowledge. Internships have been proven to increase a person’s chance for employment. Studies have found that individuals, who have completed internships, on average, make about 9% more than an individual who does not have the internship experience (national Associations of Colleges). An internship allows an individual to gain working knowledge, hands on experience, interviewing and negotiation skills, working and building relationships with coworkers and ability to manage time, schedule, and get a feel for their chosen field.</p> <p>VR staff may authorize for optional Wage Add On for a paid internship.</p>

Service Name	Instructional Design		
VR Service Code			
Service Description	Instructional designers work with educators, administrators, human resource coordinators or trainers to identify learning goals and outcomes for a course, program or project. In the initial strategy development session, the learning context, learner analysis and content analysis tasks are initiated. Additional onsite and offsite analysis may be conducted as needed at the onsite rate. Recommendations may include, but are not limited to, job redesign, learning solution(s) or performance improvement solutions or a combination of job redesign and learning solutions.		
Individual Rate	\$12.50 UOS	Group Rate	UOS

Service Name	Microsoft Office 2013 (or 2010, 2007 and Legacy Editions)		
VR Service Code	MISCELLANEOUS TRAINING – COMPUTER SKILLS		
Service Description	Microsoft Word, Excel, PowerPoint, Access, Publisher, Outlook, OneNote and Visio classes are INSTRUCTOR-LED, whether onsite (computer lab or office) or in the CHESS virtual classrooms, so individuals receive the instruction for their specific projects/needs. Each course outline is summarized in our Training Services flyer updated quarterly and available at the CHESS website or upon request, in print, via fax or email. Workbooks, handouts or related training materials are provided as noted for each course.		
Individual Rate	\$7.75 UOS	Group Rate	

Service Name	Computer Skills Inventory		
VR Service Code	MISCELLANEOUS TRAINING – COMPUTER SKILLS		
Service Description	Instructional designers work individually with adult learners to determine their existing, relevant software skills. Software and hardware available is compared to required tools for participation in additional computer-based courses or work projects. Adult learners may assist in the development of computer skills learning plan (CSLP) designed to support their immediate learning and professional goals. A report (no time charged for report preparation) is provided for all parties involved.		
Individual Rate	\$9.50 UOS	Group Rate

Easter Seals TriState

Service Name	Academics for Employment		
VR Service Code	MISCELLANEOUS TRAINING – GED TRAINING		
Service Description	Easter Seals TriState's Academics for Employment provides academic remediation, GED preparation, specific job/career academic advancement, one on one tutoring for post-secondary and other educational programs, as well as, individualized tutoring for licensure and certifications needed for specific careers. These certifications may include nurse's aide, CDL's and tutoring for the driver's license test. Academic upgrading/remediation is provided on a full or part time basis. Academics for Employment staff all have at least a bachelor's degree. Most have a teaching certificate and knowledge in GED preparation. Monthly reports are submitted documenting current academic goals and progress.		
Individual Rate	Tutoring \$4.00 UOS Academic Skills Assessment \$450.00 Flat Fee	Group Rate	Academic Upgrading Classroom-Full Time \$350.00 Week Part Time \$225.00 Week

Service Name	AgriAbility Farm Assessment		
VR Service Code	TECHNICAL ASSISTANCE - SELF-EMPLOYMENT TECHNICAL ASSISTANCE		
Service Description	Easter Seals TriState operates an AgrAbility program that assists farmers with disabilities in maintaining their farms and preventing secondary injuries. This assessment includes the following: intake, farm assessment (farm size, type of work completed on the farm, nature of farmer's disability, and how that disability impairs farm production), a written plan to keep the client farming, and follow up services after plan implementation.		
Individual Rate	\$1,500.00 Month	Group Rate

This certification is useful for Computer Networking positions. This course varies in length based on participant knowledge, how much the participant does at home, etc. The course is taught using a textbook and TestOut online modules which contain tutorials, labs, and quizzes. After this class, a participant will be prepared to take the Network+ Certification exam.		
Individual Rate	\$ 4.80 UOS + Testing Fees	Group Rate	

Service Name	Typing/Data Entry		
VR Service Code	MISCELLANEOUS TRAINING – COMPUTER SKILLS		
Service Description	Typing and/or Data Entry Training is approximately 40 hours. This class prepares participants for clerical positions. Participants learn typing and/or data entry skills and improve their initial speed and accuracy. After this class, a participant will have improved typing and/or data entry skills.		
Individual Rate	\$ 4.80 UOS	Group Rate	

Service Name	Entrepreneurial Programming Phase One		
VR Service Code	TECHNICAL ASSISTANCE SERVICES – BUSINESS PLAN DEVELOPMENT		
Service Description	This is the first step when participants are referred to Entrepreneurial Programming. Phase one consists of one on one instruction on how to complete a Business Feasibility Plan and an explanation of how to access resources needed to compete the plan. The Feasibility Plan includes a description of products or services, a market analysis, pricing and profitability and a plan for further action. Completion of the Feasibility Plan is required before a participant can begin Phase Two. This phase should be completed over a 30-day period.		
Individual Rate	\$7.09 UOS	Group Rate	

Service Name	Entrepreneurial Programming Phase Two		
VR Service Code	TECHNICAL ASSISTANCE SERVICES – BUSINESS PLAN DEVELOPMENT		
Service Description	During this phase, a participant would complete a formal business plan that includes regulatory requirements and an operational plan. Assistance will be provided on the steps required to start a business in the state of Ohio. These steps include; registering your business with the Secretary of State, obtaining an Employer Identification Number (EIN), registering with the Ohio Department of Taxation, reporting newly hired employees to the Ohio New Hire Reporting Center, contacting the Bureau of Worker’s Compensation, and obtaining proper licenses and permits. This phase should be completed over a 60-day period.

Information Insight

Service Name	Basic Braille Literacy Instruction		
VR Service Code	DISABILITY/AUGMENTATIVE SKILLS NO ACCREDITATION – BRAILLE READING TRAINING		
Service Description	An appalling 70% of working age blind/low vision people are unemployed. Among the 30% who do have jobs, 85% use braille. In three months, I can teach any BSVI Consumer to read and write braille -- and thus render him/her more employable. With Basic Braille, a Consumer can make and retrieve personal notes and files, label files, products, documents, have immediate access to information -- be generally more equal to the sighted print-reading workplace competitor.

Jewish Family Service Association

Service Name	Computer Training		
VR Service Code	MISCELLANEOUS TRAINING – CLERICAL SKILLS		
Service Description	<p>JFSA’s Computer Literacy training program provides skills needed to effectively perform the job search, basic computer-based functions in the workplace, and to enter higher-level computer-based training programs such as Customer Service or Call Center training and Microsoft Office Specialist (MOS) Certification training. Areas of emphasis (depending on need) include mousing, keyboarding, printer and scanner operation, Windows and file management, data entry, email creation and use, and basic use of Microsoft Word, Excel and Outlook. Additional soft skills training are available to each student at no additional charge. We provide weekly soft skills training in communication (including conflict resolution and anger management), enthusiasm and attitude, teamwork, networking, problem solving and critical thinking, and professionalism. Prerequisites: Fifth grade reading comprehension skills or better. If needed, JFSA can administer a Reading Test. One-on-one training based on the needs of the individual is provided supplemented with computer-based exercises and assessments to reinforce and supplement that instruction. Soft skills training is provided in a small group setting and led by vocational rehabilitation professions. Comprehension assessment (see Authorization section below for details). If it is unclear whether Computer Literacy or MOS certification is the most appropriate option, the coordinator or counselor can authorize a MOS Certification Readiness assessment (see Authorization section below for details).</p>		
Individual Rate	\$600.00 Week	Group Rate	

Jewish Family Service Association

Service Name	Microsoft Office Specialist (MOS) Training		
VR Service Code	MISCELLANEOUS TRAINING – COMPUTER SKILLS		
Service Description	<p>One-on-one training based on the needs of the individual is provided supplemented with computer-based exercises and assessments to reinforce and supplement that instruction. Each student will learn one certification area at a time. After the first certification is passed, the individual may start studying for a second certification. A practice MOS test will be administered the first day to estimate the length of the training. Soft skills training is provided in a small group setting and led by vocational rehabilitation professions. Classes are 3.5 hours per day Monday through Friday. Afternoons from 1- 4:30 PM are preferred but alternative class times can be arranged if needed. Each certification area requires 4 to 12 weeks of training depending on the needs of the individual. An estimate will be provided following the first week of instruction. • MOS Certification Training. Code as Occupational/Vocational Training/Computer Skills. Authorizations can be written for four weeks at a time at a rate of \$600 per week (1 UOS/\$600). Report writing, staffings, practice and certification testing are included in the price. Please indicate on the referral the desired certifications the student intends to earn and which is the first certification to be taught. Indicate whether soft skills are to be voluntary or mandatory.</p>

Linking Employment, Abilities & Potential (LEAP)

Service Name	Home Health Aide Training		
VR Service Code	MISCELLANEOUS TRAINING – HOME HEALTH OR STNA		
Service Description	<p>The home health aide (HHA) program is designed to train entry level medical professionals who can help patients continue to stay in their homes by monitoring and recording patient condition, providing support and personal services as well as teaching families about basic bedside and personal care. Some of the skills performed by HHA's include: taking basic vital signs, transferring patients, dressing and feeding patients, mouth care, nail care, bed baths, range of motion activities, positioning patients on their side, proper infection control techniques as well as basic ADL's. After completing the 75 hour training program, students will be well prepared to enter into an entry level HHA position. In order to determine eligibility and acceptance into the program, completed background checks and negative TB must be sent with the referral. Participants must meet Ohio criminal background standards for Home Health Care. The class is 3 weeks long, from 8-1, Monday-Friday.</p>		
Individual Rate		Group Rate	\$350 Flat Fee (5 Person Minimum – 10 Person Maximum) Supply Fee \$25.00

Service Name	Dining Assistant Training		
VR Service Code	MISCELLANEOUS – FOOD SERVICE		
Service Description	<p>A State of Ohio approved training course which consists of a nine hour training class. The course provides skills for people interested in working as Dining Assistants in nursing facilities. Training included Potential participants must be responsible, reliable, safe to self and others, and able to follow directions. Participants should be able to read simple directions i.e. dietary card and match a resident's wristband or other form of identification to the name on the dietary card. In order to determine eligibility and acceptance into the program, completed background checks and negative TB test must be sent with the referral.</p>		
Individual Rate		Group Rate	\$350 Flat Fee (5 Person Minimum – 10 Person Maximum) Supply Fee \$25.00

Michelle Richards

Service Name	Occupational Therapy Cognitive Compensatory Skills Assessment		
VR Service Code	ASSESSMENT NO ACCREDITATION REQUIRED – OCCUPATIONAL THERAPY EVALUATION		
Service Description	<p>This assessment will identify problem areas and challenges as well as effective strategies that affect the individual's ability to plan and carry through tasks in order to maintain employment, complete assignments, meet dead lines, and to complete the essential functions of the job/demands at home, or demands and expectations in a school setting. Recommendations will include strategies to assist with compensatory methods for organization, planning, goal setting, prioritization, problem solving, follow through, attention to detail, and recall/memory. The Assessment can be completed in a testing/office situation, on the job, in school, or in the individual's home.</p> <p>Zone 1: up to 25 Miles from my Office Zone 2: 25 to 50 miles from my Office Zone 3: 51 to 75 miles from my Office Zone 4: 76 to 100 miles from my Office</p>		
Individual Rate	\$475.00 - Zone 1 \$550.00 - Zone 2 \$625.00 - Zone 3 \$700.00 - Zone 4	Group Rate	

Michelle Richards

Service Name	Occupational Therapy Compensatory Strategy/Organizational/Time Management Training		
VR Service Code	DIAGNOSIS & TREATMENT OF IMPAIRMENTS - OCCUPATIONAL THERAPY TREATMENT		
Service Description	<p>This service will implement the compensatory strategies that are outlined in the O.T. Cognitive Compensatory Skills Assessment. Instruction, reinforcement and an ongoing assessment of the effectiveness of the tools utilized will be completed during the training sessions. The individual may be given homework assignments to practice learned skills in between sessions, and will be asked for feedback on their interpretation of progress, as well to help determine the effectiveness of various strategies. The individual will be given gradually more complex tasks or be asked to complete the tasks with a fewer cues in order to practice and demonstrate learning of the compensatory skills. Organizational skills and time management will be emphasized. The training can take place on the job or outside work hours as needed, in their home, or in a school or education environment. Follow through with techniques will be assessed during the training sessions.</p> <p>SEE ABOVE FOR ZONE DEFINITIONS</p>		
Individual Rate	\$9.50 UOS Zone 1 \$11.0 UOS Zone 2 \$12.50 UOS Zone 3 \$14.00 UOS Zone 4	Group Rate	

Service Name	Occupational Therapy Functional Skills and Mobility Home Evaluation		
VR Service Code	ASSESSMENT NO ACCREDITATION REQUIRED – OCCUPATIONAL THERAPY EVALUATION		
Service Description	<p>This assessment will identify the individual's functional skills and challenges with activities of daily living including safety and independence with transfers, self care tasks, homemaking tasks, and mobility and balance. Instructional strategies and education for the consumer and their caregiver will be included when appropriate/possible. Joint Protection, Energy Conservation/Work Simplification and Body Mechanics will be assessed with various ADLs and instruction provided as appropriate The recommendations may include, but are not limited to: specific placement of grab bars based on the individual's functional capacities and needs, adapted aids that would increase safety or independence to facilitate ADLS and vocational goals, or referral recommendations for additional therapy and community agencies as appropriate. Functional barriers in the home will be identified and recommendations for equipment or strategies will be included in the report. The OT Home Evaluation can be completed prior to/or concurrent with a Rehab Tech Evaluation. A Rehab Tech evaluation will be needed if extensive home modifications are anticipated and blue prints or construction will be required.</p> <p>SEE ABOVE FOR ZONE DEFINITIONS</p>		
Individual Rate	\$475.00 - Zone 1 \$550.00 - Zone 2 \$625.00 - Zone 3 \$700.00 - Zone 4	Group Rate	

Michelle Richards

Service Name	Occupational Therapy General Evaluation and Services		
VR Service Code	ASSESSMENT NO ACCREDITATION REQUIRED – OCCUPATIONAL THERAPY EVALUATION		
Service Description	<p>Various OT evaluations are available which may include but are not limited to: splint/orthotic assessment and fabrication/fitting; development of a home exercise program or individualized O.T. sessions to increase hand/arm strength, fine motor skills training, standing tolerance, functional mobility and transfer training, instruction with equipment, visual perceptual motor training, etc.</p> <p>SEE ABOVE FOR ZONE DEFINITIONS</p>		
Individual Rate	\$9.50 UOS Zone 1 \$11.0 UOS Zone 2 \$12.50 UOS Zone 3 \$14.00 UOS Zone 4	Group Rate	

Service Name	Functional Capacity Evaluation (FCE) Onsite		
VR Service Code	DIAGNOSIS & TREATMENT OF IMPAIRMENTS – FUNCTIONAL CAPACITIES EVALUATION		
Service Description	<p>Functional Capacity Evaluation. Physical tolerances and capacities for sitting, standing, walking, lifting, carrying, reaching, bending, hand strength, fine motor skills, will be assessed. Recommendations and findings will be written for practical translation of how their capacities can be utilized for job tasks, including how their capacities correspond with their transferrable job skills. Individualized job-specific recommendations can be provided when a projected job goal is included in the referral information. Recommendations may include equipment, protective gear, splints or supports to increase stamina and joint stability, accommodations, energy conservation and joint protection measures to facilitate job retention. Currently, space is utilized at Goodwill Industries, 525 Cherry Street in Toledo for the onsite FCEs.</p>		
Individual Rate	\$475.00 Flat Fee	Group Rate	

Michelle Richards

Service Name	Functional Capacity Evaluation (FCE) Offsite		
VR Service Code	DIAGNOSIS & TREATMENT OF IMPAIRMENTS – FUNCTIONAL CAPACITIES EVALUATION		
Service Description	<p>An offsite FCE at the consumer's home, job site or other location can be scheduled. The focus can be standard FCE results (see FCE description) or an individualized focus on tolerance and capacities/challenges for homemaking, work stamina and tasks, activities of daily living, transfers, etc. Individualized job-specific recommendations with findings based on the stated job goal are provided as part of the comprehensive report. Recommendations may include equipment, protective gear, splints or supports to increase stamina and joint stability, accommodations, energy conservation and joint protection measures to facilitate job retention. If homemaking is the focus, equipment that would improve energy conservation and possible modifications will be included in the recommendations as appropriate.</p> <p>SEE ABOVE FOR ZONE DEFINITIONS</p>		
Individual Rate	\$475.00 - Zone 1 \$550.00 - Zone 2 \$625.00 - Zone 3 \$700.00 - Zone 4	Group Rate	

Service Name	Learning Capacity Evaluation		
VR Service Code	ASSESSMENT NO ACCREDITATION REQUIRED – OCCUPATIONAL THERAPY EVALUATION		
Service Description	<p>The LCE identifies the individual's preferred learning style as demonstrated during the assessment, which is compared with the individual's self-perception of reported learning style. The individual's functional learning challenges will be identified and examples provided, and related to job goals when possible. The individual's capacities and strengths will be identified and related to specific job goals when this information is provided, to assist with vocational planning and success. The recommendations will include instructional tips and strategies that can be used with a job coach, or for general assistance with learning or instruction. Accommodations and techniques for use on a job or in school to facilitate instruction and success are provided. The LCE can be completed in a testing setting, or on the job, and can be individualized for various levels of functioning.</p> <p>SEE ABOVE FOR ZONE DEFINITIONS</p>		
Individual Rate	\$650.00 - Zone 1 \$725.00 - Zone 2 \$800.00 - Zone 3 \$875.00 - Zone 4	Group Rate

VR Service Code	MISCELLANEOUS TRAINING – DRIVER'S TRAINING (NON-MODIFIED)		
Service Description	Classes will be held as per consumer need to cover specific areas of difficulty. This service will not exceed 20 hours total without the consumer attempting the written test at a state testing facility. Should a non-passing grade be obtained in the first test additional hours will be requested to work on the areas identified as problematic, this service will not exceed 10 hours without staffing the case for further guidance. The Ohio Permit Book will be used as the curricula with necessary flash cards and a sample written test obtained by the Ohio Bureau of Motor Vehicles website.

TRANSPORTATION (GROUP)	

ViaQuest

Service Name	Self-Employment Feasibility Assessment		
VR SERVICE CODE	TECHNICAL ASSISTANCE SERVICES - SELF-EMPLOYMENT TECHNICAL ASSISTANCE		
Service Description	Self-employment feasibility assessment provides an in-depth analysis of the Consumer and their proposed business idea. The Consumer should bring a current credit report, interview letters (if applicable), and any business planning notes/material to the meeting. If the Consumer has a business idea, the assessment will focus on financials and market. If the Consumer does not have a business idea, the interview will focus on the Consumer's barriers and unique attributes to identify a potential business model. Consumer will be tasked with written assignments that address business development actions and develop a preliminary action plan. Written report with recommendations provided.		
Individual Rate	\$500.00 Flat Fee	Group Rate	

Service Name	Preliminary Market Research (PMR)		
VR Service Code	TECHNICAL ASSISTANCE SERVICES - SELF-EMPLOYMENT TECHNICAL ASSISTANCE		
Service Description	PMR is indicated when the breakeven analysis shows a sales quota that seems more than what the consumer can obtain. PMR is secondary research and includes: Industry overview i.e., NAICS code, products/services, history, trends, and knowledge, skills and abilities required; market size and demography; identifiable/attainable market for the proposed product/service, stability of other businesses in the market, potential for growth and estimated and potential barriers to entry; competitor analysis; Issues to be resolved and means to address issues identified; and recommendations for effective primary market research activities based upon the business idea where applicable (i.e. telephone and face-to-face interviews, surveys, mystery shopping, product tests and diaries). Written report with recommendations provided.		
Individual Rate	\$600.00 Flat Fee	Group Rate	

ViaQuest

Service Name	Technical Assistance (TA)		
VR Service Code	TECHNICAL ASSISTANCE SERVICES - SELF-EMPLOYMENT TECHNICAL ASSISTANCE		
Service Description	<p>TA provides specialized training to the Consumer by a Business Consultant to insure that the self-employment case moves forward, the business plan conforms to OOD procedural requirements and supports the consumer's self-employment goal. TA includes: evaluation and refinement of the business plan; review of benefits analysis and impact on consumer's benefits; address unresolved obstacles identified; establish realistic timelines for completion of tasks; assist with identification of suitable space requirements, zoning, etc.; assist with identification/linkage to applicable financing opportunities and identification of best practices with regard to investment options; identification and resolution of impediments with regard to implementation of the business plan; assist with the acquisition of items identified in the business plan i.e., name registration, vendor's license, sales tax reporting, etc; provide follow along services during startup phase to assist with marketing, record keeping, financial reports, etc. to promote successful case closure. Written report provided.</p>		
Individual Rate	\$6.00 UOS	Group Rate	

Service Name	Business Plan Development		
VR Service Code	TECHNICAL ASSISTANCE SERVICES – BUSINESS PLAN DEVELOPMENT		
Service Description	<p>Business plan preparation is provided to assist a Consumer whose disability either prevents and/or deters him or her from writing a business plan, or for whom the preparation of the business plan would significantly delay the opening of the business. The business plan is prepared by an EnterpriseWorks Business Consultant in conjunction with the Consumer and identified support team members as active participants throughout the development process. Completed business plan provided.</p>		
Individual Rate	\$2,000.00 Flat Fee	Group Rate	

ViaQuest

Service Name	Business Plan Review		
VR Service Code	TECHNICAL ASSISTANCE SERVICES – BUSINESS PLAN DEVELOPMENT		
Service Description	<p>Business plan review provides the comprehensive assessment of a business plan being considered and/or presented for approval, which has been prepared by the consumer and/or an entity other than EnterpriseWorks. Business plan review involves an interview with the consumer, and will include an assessment of the business plan including, but not limited to: the organizational structure of the proposed business, operations structure, marketing strategies to be employed, detailed examination of financial projections, required startup expense, owner’s contribution, sales projections and supporting documentation for the OOD financial request. The Business Consultant will be available to present the business plan review findings to the VRC, VRS, Consumer, and if applicable, any other provider(s) involved with the self-employment case. Completed report and recommendations provided.</p>

Service Name	Clinical Low Vision Services		
VR Service Code	Assessment Accreditation Not Required – Clinical Low Vision Evaluation		
Service Description	<p>These services are completed by an optometrist and involve comprehensive assessment of patients with low vision. Refractive testing is completed to determine optimal spectacle correction and lens design. Specialized telescopic or microscopic lens systems may be designed and the prescription of custom prismatic corrections (Fresnell, etc) may be recommended. Other testing includes assessment of binocularity, color vision, contrast sensitivity, visual fields and may involve the fitting of bioptic telescopes for driving and for other purposes. The need for additional services (orientation and mobility, bioptic driving instruction, rehabilitation technology assessment/training, etc) to address specific vocational/educational goals (as requested by referring counselors) is also determined and documented in a comprehensive report. In addition, letters to employers, teachers, etc. documenting ADA accommodations for consumers in the workplace, school, etc. may be generated as needed.</p>

Vocational Guidance Services

Service Name	Customer Service Skills Training		
VR Service Code	MISCELLANEOUS TRAINING – CUSTOMER SERVICE SKILLS		
Service Description	<p>Vocational Guidance Services Customer Service Training program provides training in the basic skills required to obtain entry-level employment in a customer service/call center environment. This eight-week curriculum supports the development of skills applicable in any customer service/call center environment while also allowing students to build some skills specific to particular employers or industries. Participants enrolled in the Customer Service Training program will be trained to provide the highest quality of customer service. Students will gain an understanding of the processes, procedures and tools found in any customer service/call center environment while building skills in computer literacy, business writing, word processing, and business Internet usage. This program prepares students to take the Customer Support Specialist certification testing offered by the Help Desk Institute. While developing professional customer service skills students will learn effective communication techniques including listening skills, empathy, identifying customer needs, and demonstrating customer respect. On-line training sessions, video training, and role-playing will supplement instructor-led sessions. Students will work independently to build skills with Microsoft Office Suite software and keyboarding skills throughout the length of the program. The Customer Support Specialist focused curriculum is taught by a Help Desk Institute Certified Instructor. While engaged in the training, students may choose to develop industry-specific skills using supplemental materials and curriculum developed with input from a number of area employers. Successful graduates of this program may seek employment within customer service/call center operations in transportation, banking, communications insurance, healthcare, service, or manufacturing. Candidates for Customer Service Training must possess good verbal communication skills, an 8th grade reading comprehension, demonstrate basic computer knowledge and some keyboarding skills. Candidates must complete a pre-admittance interview with the program instructor. Text book fee \$175, HDI test fee \$160. East 55 Street facility. Accredited by Ohio State Board of Career Colleges and Schools.</p>

Service Name	Food Service Training		
VR Service Code	MISCELLANEOUS TRAINING – FOOD SERVICE		
Service Description	<p>Vocational Guidance Services Food Service Training program provides training in the basic skills required to obtain entry-level employment in the food industry as kitchen and dining room employees. This eight-week curriculum is designed to foster the mastery of the technical skill-building blocks that will serve as a basis for future skill development in all facets of the food-service industry. Participants enrolled in the Food Service Training program will be trained in proper food handling with particular emphasis on food safety and sanitation, using the ServSafe® curriculum, approved by the National Restaurant Association. Students may choose to complete the ServSafe® certification testing for an additional \$125 cost. In addition to sanitation, other topics covered during the eight-week training program include: basic customer service, food preparation and production, nutrition, serving, inventory and food storage. The importance of maintaining cleanliness standards in the kitchen and dining room will be constantly reinforced through activities including bussing, dishwashing and equipment sanitation. Students will learn how to safely and efficiently complete food preparation tasks such as measuring, cutting and mixing. While engaged in this training program, students will have the opportunity to gain paid hands-on work experience in Vocational Guidance Services’ student run cafeteria—“The Guidance Grill”, located in the Training Center. Under the supervision of the instructor, students will observe and participate in all aspects of the food-service operation from checking in food shipments to operating the dishwashing equipment; from basic knife safety and usage to recipe execution. Daily class time will typically be divided into three hours classroom work and three hours paid hands-on experience. Students will be paid bi-weekly. Optional \$125 fee for test and textbook. East 55th Street facility. Accredited by Ohio State Board of Career Colleges and Schools.</p>

Vocational Guidance Services

Service Name	Company Based Work Training—Hospital Setting		
VR Service Code	MISCELLANEOUS TRAINING – OCCUPATIONAL SKILLS		
Service Description	<p>During this eight week training and skills development program, participants will learn the various facets of housekeeping/custodial work in a healthcare setting while earning a wage. The interactive training is hands-on and takes place alongside experienced hospital workers doing similar jobs. Trainees learn how to operate all equipment corresponding to job responsibilities and are expected to become capable of working independently in 3-4 weeks. Emphasis will be placed on good work habits and behaviors, safety, sanitation, work procedures, equipment and chemical use, work quality and productivity. Job readiness is the expected outcome of services. The hospital Environmental Services Department provides site supervision while VGS provides a job coach to ease into the first week of training. Additionally the Project Coordinator will provide case management and direct oversight for the weeks of training. Positions require standing/walking continuously during the work shift and some overhead reaching, crouching and bending. This is medium level labor, with pushing/pulling/lifting up to 50 pounds. In order to determine the referred consumer’s readiness for this program at a competitive work site, the Project Coordinator will conduct a pre-admittance interview. Work readiness has a bearing on selections for participation in this program. A background check will be conducted. Some basic reading is necessary. No placement fee will be charged for those program graduates hired directly after training. Job Search Skills Training is not provided. Project Coordinator follow-up will continue if hired at the training site. The customary job retention fee will be applicable for 30 day, 60 day, and 90 day successful employment retention. Currently available at Cleveland Clinic and University Hospital sites.</p>

Classes focus on increasing computer knowledge to include Microsoft applications, increasing typing speed, proficient email and internet usage, and pleasant, appropriate phone etiquette. Professionalism, proper office attire, interpersonal/social skills, and punctuality/attendance will be emphasized throughout the training. A pre-screening assessment by the ACTP instructor is required prior to acceptance into the program. Consumers receive a \$15/day stipend while participating in the program. Attendance is required to receive stipend. 20 hours/week for 6 weeks</p>		
Individual Rate	\$7.00 UOS	Group Rate	\$2.55 UOS

Service Name	MOS Certification Training Program		
VR Service Code	MISCELLANEOUS TRAINING – COMPUTER SKILLS		
Service Description	<p>Vocational Services Unlimited (VSU) MOS Certification Program is designed for consumers who are already proficient in a Microsoft Office product such as Word, Excel, PowerPoint or Outlook, and would like to receive certification in one or more Microsoft Office applications. The consumer will be administered various approved tests, demonstrating the consumer's knowledge, skills, and abilities to productively use a Microsoft Office product. A pre-screening assessment by a MOS Certified Instructor is required prior to acceptance into the program. Duration of the program will vary depending on the amount of MOS Certifications the consumer would like to receive (there are 14 different certifications). Average duration per MOS application is 4 hours/day for 5 days. Consumers receive \$15/day stipend while participating in the program. Attendance is required to receive the stipend. VOCATIONAL SERVICES UNLIMITED IS A MOS AUTHORIZED TESTING CENTER.</p>		
Individual Rate	\$7.00 UOS	Group Rate	\$2.55 UOS

Vocational Services Unlimited

Service Name	Customer Service Training Program		
VR Service Code	MISCELLANEOUS SKILLS – CUSTOMER SERVICE		
Service Description	<p>Vocational Services Unlimited (VSU) Customer Service Training Program supplies basic CSR skills to consumers who are interested in obtaining an entry level customer service position. During the (6) week training program, consumers will be taught the basic fundamentals of excellent customer service skills in a professional office setting. Classes include phone etiquette, computer knowledge to include Microsoft applications, typing speed, and email and internet usage to develop skills required as a CSR. In addition, the consumer will be taught various CSR techniques on how to excel in customer care. Professionalism, proper office attire, interpersonal/social skills, and punctuality/attendance will be emphasized throughout the training. A pre-screening assessment by the CSR Training instructor is required prior to acceptance into the program. Consumers receive a \$15/day stipend while participating in the program. Attendance is required to receive stipend. 20 hours/week for 6 weeks</p>		
Individual Rate	\$7.00 UOS	Group Rate	\$2.55 UOS

Service Name 6	QuickBooks Training		
VR Service Code	MISCELLANEOUS TRAINING – COMPUTER SKILLS		
Service Description	<p>Vocational Services Unlimited (VSU) QuickBooks Training Program is designed for Administrative Assistants, Bookkeepers and other office professionals who have the basic skills to secure employment in an office setting and would like to add Quickbooks Training to their skillset. VSU's professional staff offers two Quickbook Training Programs; one for the beginner and one for the intermediate user. The (2) week Basics Class Certification Program is for those consumers who are searching for a basic understanding and skillset of the Quickbooks program. VSU also offers a (1) week Essential Certification Program for those that are familiar with Quickbooks but would like to advance their skills. Certifications will be received after completion of the training program. A pre-screening assessment by a Quickbooks Instructor is required prior to acceptance into the program.</p>		
Individual Rate	\$7.40 UOS	Group Rate	\$3.50 UOS
