Dear Concerned Ohioan:

The Opportunities for Ohioans with Disabilities agency is proposing amendments to an administrative rule. The reason for this revised rule proposal is to incorporate the new agency name as well as to update the language in (M)(6). The notice of public hearing and a copy of this revised rule is enclosed/attached.

In the written version of the rule, new language is underlined, and deleted language is lined through. The notice of public hearing and the rule are available on computer disk (Word), and in regular or large print, if needed as a reasonable accommodation.

We are providing this information so you can review it and share it with interested persons or groups before the public hearing that will be held on Friday, September 9, 2016 at 10:00 a.m. in OOD's Commissioners Conference Room, 150 East Campus View Blvd., Columbus, Ohio. Anyone may comment on the proposal either at the hearing or in writing to Kevin Miller, Executive Director, before the hearing.

SPECIAL NOTICE: OOD will distribute the rule proposal and notice of public hearing electronically. If you would like to receive information electronically, please forward your e-mail address to Debbie.Stevens@OOD.ohio.gov .

Should you have questions concerning this rule, please contact Ted Klecker at 1-(800)-282-4536, extension 1223.

Sincerely,

Ted Klecker
