

Rules of Engagement

- 1) **Confidentiality**--any discussions of confidential matters are not to be discussed beyond the OVRC and Agency staff.
- 2) **Honesty**--participants are to be honest in their comments and feedback during this process.
- 3) **Respect**--all participants will show mutual respect for each other and employ the "Golden Rule" of treating each other in the way they would like to be treated.
- 4) **Non-personal**--comments are not to be personal in nature and should instead be issue oriented.
- 5) **Constructive**--all comments should be constructive in nature in a way that enhances the process.
- 6) **Focused**--all participants will remain focused on the issue being discussed and not bring into discussion unrelated topics.
