

## **EMPLOYMENT FIRST Provider Directory**

This Directory shows approved Employment First providers who have been approved to accept referrals under the Employment First Initiative.

Providers are displayed in two ways:

1. Service Providers by County
2. Services Providers in Alphabetical Order

The Directory is subject to change and will be updated at the end of each month.

If you have questions please contact: [employmentfirst@ood.ohio.gov](mailto:employmentfirst@ood.ohio.gov).  
Thank you.

<b>Service Name</b>	Internship		
<b>VR Service Code</b>	<b>MISCELLANEOUS TRAINING - INTERNSHIP</b>		
<b>Service Description</b>	<p>Internships are a very important element of the process. When companies hire they give more attention to individuals who complete internships because they know that they have gained certain real world experience and knowledge. Internships have been proven to increase a person’s chance for employment. Studies have found that individuals, who have completed internships, on average, make about 9% more than an individual who does not have the internship experience (national Associations of Colleges). An internship allows an individual to gain working knowledge, hands on experience, interviewing and negotiation skills, working and building relationships with coworkers and ability to manage time, schedule, and get a feel for their chosen field.</p> <p>VR staff may authorize for optional Wage Add On for a paid internship.</p>

<b>Service Name</b>	Agricultural and Garden Center Training (Rising Harvest Farms)		
<b>VR Service Code</b>	<b>MISCELLANEOUS TRAINING – OCCUPATIONAL SKILLS</b>		
<b>Service Description</b>	<p>During this 8 week training and skills development program, participants learn routine, day to day farming techniques and safety measures while earning a wage. The Agricultural and Garden Center Training program is designed to provide participants with introduction to and training in learning skills in soil amendment/preparation, seed sowing, propagation, weed/pest control, tool and equipment skills, irrigation, composting techniques, landscape material handling, fertilizing, harvesting, washing/packaging and brining products to market. Participants follow GAP Standards (Good Agricultural Practices) as regulated by the USDA Good Agricultural Practices &amp; Good Handling Practices. Curriculum instruction is based upon the Guide to Minimize Microbial Food Safety Hazards for Fresh Fruits and Vegetables. Position requires standing/walking continuously during the work shift. This is medium level labor work, with reaching, crouching, bending, lifting up to 50 pounds. In addition to teaching hard work skills, the program focuses on building soft skills such as teamwork, fulfilling commitments and producing quality products. While these skills lend themselves to agricultural/farm work, participants have shown transferable skills to retail and other employment sectors.</p>

<b>Service Name</b>	Company Based Work Training—Hospital Setting		
<b>VR Service Code</b>	<b>MISCELLANEOUS TRAINING – OCCUPATIONAL SKILLS</b>		
<b>Service Description</b>	<p>During this eight week training and skills development program, participants will learn the various facets of housekeeping/custodial work in a healthcare setting while earning a wage. The interactive training is hands-on and takes place alongside experienced hospital workers doing similar jobs. Trainees learn how to operate all equipment corresponding to job responsibilities and are expected to become capable of working independently in 3-4 weeks. Emphasis will be placed on good work habits and behaviors, safety, sanitation, work procedures, equipment and chemical use, work quality and productivity. Job readiness is the expected outcome of services. The hospital Environmental Services Department provides site supervision while VGS provides a job coach to ease into the first week of training. Additionally the Project Coordinator will provide case management and direct oversight for the weeks of training. Positions require standing/walking continuously during the work shift and some overhead reaching, crouching and bending. This is medium level labor, with pushing/pulling/lifting up to 50 pounds. In order to determine the referred consumer’s readiness for this program at a competitive work site, the Project Coordinator will conduct a pre-admittance interview. Work readiness has a bearing on selections for participation in this program. A background check will be conducted. Some basic reading is necessary. No placement fee will be charged for those program graduates hired directly after training. Job Search Skills Training is not provided. Project Coordinator follow-up will continue if hired at the training site. The customary job retention fee will be applicable for 30 day, 60 day, and 90 day successful employment retention.
