Business Enterprise (BEP) Stakeholder Meeting

The BEP is managed in accordance with the Ohio Administrative Code (OAC) 3304:1-21, which sets rules for how the program operators. These rules must be reviewed every 5 years, at a minimum. The last review took place in 2010.

Prior to drafting proposed rule revisions, OOD seeks to obtain stakeholder input. Stakeholders are identified as those who may have a business impact from a potential rule revision. The BEP will hold the initial stakeholder meeting to solicit comments from stakeholders, for consideration in drafting revisions to the current rules. All meetings are open to the general public and will be conducted via Go to Meeting conferencing at all locations, except Columbus which will be in person.
