

Connecting Students with Work

Engagement / Employment / Independence

Do you know a student who?

- Is at least 14 years old, and
- Has a known or suspected disability e.g., learning, behavior, mental health, mobility, hearing, vision, etc., and
- Is interested in the world of work and needs help finding and/or keeping a job, or
- Is interested in additional training or education needed to prepare for a job after high school

Invite OOD to be the vocational expert at your next meeting!

- Parent/teacher conference
- ISP/IEP meeting
- Transition fair
- Person-centered or treatment planning meeting

Connecting students with an OOD vocational counselor.

Individualized services may include:

- Help finding and/or keeping a job
- Career exploration
- Paid work experience
- Job shadowing
- Counseling on post-secondary options
- Work incentives planning

Help students discover their career path.

Collaborating with OOD and Participation in Transition Services CAN HELP A STUDENT FIND THE RIGHT JOB.

Completing an Application is as Easy as 1, 2, 3

1 Identify a student

A student's SSN and parent/guardian signature will be needed to open a case.

2 Download an application for services

Visit ood.ohio.gov/transition-students to download an application
Or talk with an OOD liaison to assist with the application process.
To learn who is assigned to your school or area, call 1-800-282-4536.

3 Send application with records securely to the designated e-mail or fax assigned to your county (see map below):

Speed up the eligibility process by attaching *one or more* of the most recently signed:

- School records (e.g., ETR, IEP, 504)
- County board records (e.g., C/OEDI, ISP, C/FED)
- Other medical records and/or evaluations (e.g., psychological evaluation, audiogram)

While OOD can take an application at any time, coordination of transition services is most effective when applications are received as early as possible in the school year.

Programs provided by the Opportunities for Ohioans with Disabilities are funded, in whole or in part, with federal grants awarded by the U.S. Department of Education (DOE) or the U.S. Department of Health and Human Services (HHS). For purposes of the Vocational Rehabilitation (VR) Program, including Pre-Employment Transition Services (Pre-ETS), OOD received 78.7% of its funding through the DOE VR grant. In Federal fiscal year (FFY) 2018, OOD received \$100,336,097 in federal funds. Funds appropriated by the State covered 21.3% of the total costs, or \$27,155,767. Of these federal funds, \$15,050,415 is set aside for Pre-ETS.
